WAYS TO PRAY

- Pray for the leaders of our city, as they make decisions, for wisdom and for there to be godly influence in their midst.
- Pray against the spiritual strongholds that are trying to have an impact within our city.
- Pray for church and faith-based organizations to break down barriers so hearts can be open to the love God has for them.
- For the many people in our city experiencing pain and brokenness. Lord, may you put people in their lives to show them your hope.
- Pray for the many people in our city that have recently moved or immigrated from another culture as they are adapting to a new place, and language.
- For foster children in our city, that they would have foster parents that pour Christ’s love into their lives and bring them hope.
- Pray for the homeless community, both adults and youth, that believers and Christ-centered organizations would have opportunity to shine the true light into their lives.
- For revival to begin in Indianapolis, that God’s light would shine bright from our city.
